The Canterbury

The better way to build

DEAL WITH ONE PERSON
FOR HOMES FROM 40+ BUILDERS
AT NO EXTRA COST

A modern two-story house with a stone-textured exterior wall on the ground floor and a glass-enclosed balcony on the upper floor. The house has a white front door with horizontal glass panels and a large white garage door. The foreground shows a paved driveway and a small lawn with a tree.

10 REASONS TO USE

chuse

The better way to build

We have partnered with over 40 builders to provide you with the largest range of new homes in one place.

Get transparent pricing and comparisons between numerous builders quotes from an independent source.

The house price and any inclusions are exactly the same price as dealing directly with the builder.

Get the best promotional giveaways or compare those deals to builders without promotions.

Avoid dealing with multiple sales people. Work with one advisor for over 40 builders.

We guarantee to beat any price with our builders or provide a better alternative.

Our service is entirely free of charge and adds zero cost to your new home.

We offer a deposit guarantee if you can't proceed for some reasons.

We have exclusive access to lots not available anywhere else.

Our service is obligation free, unbiased & unpressured.
