We make comparisons between builders easier by having all our partners price their homes to include the same level of finishes. Our Keystart Spec includes everything needed for a first home owners while our Complete Spec provides a full turn key alternative.

10 REASONS TO USE PROGRESS ASSIST

We have partnered with over 40 builders to provide you with the largest range of new homes in one place.

Make an “apples to apples” comparison: all our builders homes are priced to the same completion levels.

The house price and any inclusions are exactly the same price as dealing directly with the builder.

Get the best promotional giveaways or compare those deals to builders without promotions.

Avoid dealing with multiple sales people. Work with one advisor for over 40 builders.

We guarantee to beat any price quoted directly by one of our building partners.

Our service is entirely free of charge and adds zero cost to your new home.

We offer a deposit guarantee if you can't proceed for some reasons.

We have exclusive access to lots not available anywhere else.

Our service is obligation free, unbiased & unpressured.
